

## YOUR EXCLUSIVE EVENT AT WHEELER'S

Thank you for your enquiry and for thinking of Wheeler's for your special event.

Our restaurant can cater for weddings, private cocktail functions, product launches, media events and corporate functions.

Located in stunning coastal surrounds with Merimbula Lake in sight, our sheltered al fresco feel is a fantastic option for a destination event.

We are not a conference centre or function venue. Events at Wheeler's receive the same dedication to detail, customer service and quality, that every dining experience enjoyed in our venue should.

It's not easy creating a large event to suit everyone, but our functions menu provides excellent options for all your guests including those who are vegan, vegetarian and gluten intolerant. Allow your guests to indulge in canapes, share platters or an entrée and main derived from fresh local produce, topped off by one of our pastry chef's famous dessert banquet tables.

Our Exclusive hire packages include your dedicated event manager, table configuration to suit your event, and a 3-course dining experience for up to 120 guests, for either lunch or dinner service.

You will have exclusive use of Wheeler's Seafood Restaurant for the duration of your booking, and our experienced staff will be at your service to deliver an exceptional, delicious event!

To enquire, simply complete our online functions enquiry form or contact me to discuss your vision.
