Ocean Aged Sparkling Wine

The fruit for our Ocean Aged Vintage Cuvee is hand-picked from Victoria's highest altitude vineyard in the King Valley (874m), the whole bunch pressed, fermented in French oak barriques and stirred weekly on yeast lees for 12 months. Following tirage (secondary fermentation in bottle), the wine is cellared for a minimum of 5 years on lees with at least one year submerged in the ocean.

Why ocean cellaring?

The ocean provides ideal cellaring conditions with filtered light, constant temperatures and hydrostatic pressure. For sparkling wine, the added benefit of ocean currents rocks the bottles and keeps the yeast lees in suspension which enhances the maturation process and the development of flavours like pastry, brioche and freshly baked bread. The finished wines are fresher and more complex with incredible length and finesse.
